

10964NAT
CERTIFICATE IV
IN COMPLIANCE
AND RISK
MANAGEMENT

Education,
Leadership,
Recognition

INTRODUCTION

The 10964NAT Certificate IV in Compliance and Risk Management will equip compliance professionals with the core skills they need to meet the demands of an increasingly complex regulatory environment.

The principles-based course is designed to provide compliance and risk practitioners the skills and knowledge to implement and maintain an effective compliance program across any industry or sector using the professional standards as a benchmark.

WHY ENROL?

The 10964NAT Certificate IV in Compliance and Risk Management is a nationally accredited course that delivers up-to-date content and the practical skills required to develop, implement and manage a compliance program. It is also a unique opportunity to strengthen personal networking with like-minded professionals.

If you would like to know more, please contact the Australian Compliance Institute team: +61 2 9290 1788

COURSE EXEMPTION

Experienced professionals may be eligible to demonstrate their competence and expertise through recognition of prior learning (RPL). Initially, applicants will be asked to send a detailed CV, and any relevant transcripts, to ascertain suitability. If accepted the applicant will then be advised of the cost for the RPL process. On payment of the fees, they will receive the RPL kit to record their evidence and supporting portfolio. Applicants may also demonstrate their eligibility for credit transfer (CT) by providing statements of attainment awarded by other Registered Training Organisations.
